Hi Aram

700 N Vermont location might take the whole day to be completed. We have no current Authorization for this location. We will start process to hopefully get it ready on time to be posted. Your assistance to get it approved will be appreciated. LAHSA has at least 30 requests to go through.

I see on the google that that both 750 N Vermont and 776 N Vermont authorizations have expired.

Under what address are you going to renew/process authorization?

I just need to be sure we are doing the 1000 hundred block only on Silver Lake because quite often these encampments run from the 1000 hundred to the 1200 block of Silver Lake along the underpass on both sides of the street. This area can take half a day or more to clean on it's own.

Thank you,

Renée

I believe you open yesterday afternoon Authorization for 700 N Vermont. Aram sent pictures yesterday.

Regarding Silverlake, Mary needs to confirm Authorizations 2016-00178 and 2016-00242 are the ones to post.

Best regards,
